

LOMBOK EXPERIENCE BALI

OVERVIEW

The programme is based in Lombok, a beautiful island located east of Bali

The programme offers an opportunity to young people to explore the island's natural beauty, safely immerse in the culture, participate in community service projects.

This is done by climbing the heights of Mt Ranjini, the second highest volcano in Indonesia, living and working on community project in the village of Senaru, and of course visiting the famous Gili Islands, where students can relax on pristine beaches and snorkel in crystal clear water.
